

Commissioned captain of artillery. Though she
manned the howitzers that blasted out

The unkept laurels -- the roses.

IF BULLTOVEN'S REPUTATION GOT WORSE YET

Had it more or less to do with his urinary
incontinence? Wherein does the existential

Have its conception and its birth, when the word
is named, or when the name is rendered nug-

Atory past cavil? Undine it was to relate the story
once he was surely dead. He pissed his

Pant's leg ringing the door-bell to beg
a friendly commode -- then lied a dog had

Lifted a leg on him in the street. Now he
must surely take them off and dry them for half

An hour or more. Likely story. As if it were
not his gonads that had always kept

His imagination at work with words.

THE OLD STALLION HAS HIS BLACK COCK OUT

All the way, and his head is resting
upon the rail as if he might be

Dreaming. If you are human you can
think what his dream might be

The two fillies and the old mare are
unconcerned. He pulls it back in

And walks away. He stops a moment
and pisses a white froth. And walks away

These horses are Americans -- Protestants
or Roman Catholics. In the Stones of Konarak

Did you ever see
Asians behaving like this?
